Bene Footwear Ltd are a specialist footwear company, who proudly distribute the premium Italian brand CRISPI. This brand has its own unique character and product specialities and is unmistakably Italian!

Every year we travel to Italy to see what's new and develop product that we want for New Zealand. Some of the products we have developed specifically for NZ are now also successful in other countries, our global footwear family.

CRISPI are an innovative family-owned business based in Northern Italy.

Their products are designed with much passion, hand made by skilled craftsmen. The CRISPI specialty is all about hunting and unashamedly so!

CRISPI footwear is board lasted and packed with smart and innovative design features for Instant Fit, better performance and less fatigue. Please visit CRISPI NZ

@crispi\_nz

We love it when we get to see the amazing places our footwear goes. Share your outdoor adventures with us and the world.

We want to see it all, whether you are trekking the amazing walks on the Te Araroa trail from Cape Reinga to Bluff, foraging in the forest for a healthy plant-based meal or tracking something a little more adventurous to stock the family freezer. Snap-it, save-it and share-it.
